"It is better to burn a candle than to curse the darkness." ~ Eleanor Roosevelt

The tragic events in Newtown, Conn. have sent waves of sadness through many of us over the past few days. Let us come together as a community to remember and honor those who have been lost—and to contemplate a future of peace for our children, our communities, and our world.

It will be cold so do bundle up. We hope to see you there, and please do spread the word to your friends and family.

PS: The Newtown PTA is organizing a "Snowflakes for Sandy Hook Project." They have invited students to make and decorate a snowflake. These snowflakes will be hung in the new building where Sandy Hook students will be returning to school in January. If you would like to bring your snowflake contribution, we will have a collection box at the vigil. Please include the school, class, town, etc. on the reverse of the snowflake.
