

Rabies Clinic

The Demarest Board of Health will be having a free rabies clinic on Saturday, November 15, from 10:00am to 11:00am at the Railroad Depot.

Every cat and dog must be on a leash or in a carrier and accompanied by an adult. The vaccine will be given to dogs six months or older and cats three months or older.

Please examine your pet's rabies expiration date to make sure it is valid through the 2015 licensing year. All pets are required by law to be licensed. Proof of current rabies shot is required before a 2015 license can be obtained.
